CRITERIO DE CONFECCIÓN DEL ROAD BOOK

Este Libro de Ruta ha sido confeccionado en abril y revisado en mayo.

Cualquier modificación será publicada mediante complemento, sin que la organización sea responsable de eventuales variaciones en la señalización.

Se ha puesto especial atención para facilitar su uso e interpretación, y prescindir de información considerada superficial a criterio del organizador.

Sólo se hacen constar los cruces necesarios, junto con otras informaciones de interés (gasolineras, hitos kilométricos de verificación de recorrido, etc.).

Agradeceremos todas las sugerencias que nos permitan mejorarlo.

PROCEDIMIENTO DE SEGURIDAD

Cuando haya un cartel SOS de color rojo, es OBLIGATORIO detenerse y prestar asistencia a la tripulación que necesita ayuda.

Usted es responsable de ayudar a los accidentados y de asegurarse de que los servicios de seguridad se movilizan lo más rápido posible.

El siguiente vehículo en llegar a la escena del accidente deberá informar a Dirección de Carrera con el máximo de detalles posibles.

Los siguientes vehículos que lleguen a la zona del accidente deberán detenerse y dejar la carretera despejada para dejar paso a los vehículos de emergencia.

Todos los concursantes que se detengan en un tramo deberán colocar el triángulo rojo por lo menos 50 m antes del lugar incluso si el coche no está en la calzada.

Todos los concursantes que se retiren del rally tienen la obligación de entregar su carnet de control en el punto de control más cercano lo antes posible o bien al vehículo escoba.
